OUR BEERS

At St Austell Brewery we are incredibly passionate about brewing and championing the best quality beer, and if you have not yet sampled our flagship brands – you're in for a real treat.

While at our pub today you'll see a number of our award-winning, cask and keg beers on the bar. Our core range includes Tribute pale ale, Proper Job IPA, korev lager, Anthem pale ale, Hicks strong ale, and Mena Dhu stout. All offer unique flavour and something different to discover. You can find out more in this list, or by asking a member of our team.

We also strongly encourage you to 'ask for cask' and find out more about cask beer. For us, there's no beer form like it, it's the freshest and most flavourful out there.

WINE

St Austell Wines remains the oldest arm of our business. In 1851, Walter Hicks began wholesaling wines and spirits from a small shop front in St Austell's historic Church Street. His great-grandson Tim Harvey would expand the wine division significantly when he joined the company in 1948.

Today, our team remains just as enthusiastic and engaged in continuing to build an enviable wine portfolio, making the best quality wine available to people across the country. Within this list, we've included a selection of our favourite drops, from White Red and Rose to Sparkling and Fortified.

We hope you enjoy reading and sampling from our list today. If you would like any further information, please ask a member of the team or head to our website.
